The French Bulldog Club of Central Canada Referral Service is provided in an effort to direct prospective buyers of purebred french bulldogs to reliable breeders. These breeders have been approved by the executive and are members in good standing. The individual listings do not constitute any endorsement by the French Bulldog Club of Central Canada.

The French Bulldog Club of Central Canada does not recommend, guarantee, endorse or rate breeders or their French Bulldogs. Buyers are responsible to ask any breeder they contact any pertinent questions, and check all matters relating to Canadian Kennel Club registration, health, and quality before making any decision.
